

NSW POLICE BAND SCHOOL BOOKING FORM

Thank you for your interest in having the NSW Police Band visit your school.

Please note: This form does in no way guarantee the band's visit but every effort will be made to accommodate both the band's and schools needs. Obligations to meet core business events for the NSW Police Force and the NSW Government is of highest priority therefore we reserve the right to cancel our attendance. Re-visit applications are welcome however visits that have taken place within the last 3 years will not take priority when the band is considering applications and as such a visit may not be confirmed until closer to the proposed visit.

Please fill out the following form on your computer and return to band@police.nsw.gov.au at your convenience. We will be in contact once your enquiry has been assessed. Allow 7 business days for this to occur. Our office contact number is (02) 9557 2090.
