Please use **BLACK PEN** and **CAPITAL LETTERS** to complete this form. Failure to make necessary amendments to pre-printed information AND complete all sections of this form may result in delay or refusal of your application.

PLEASE READ THE FOLLOWING INFORMATION PRIOR TO FILLING OUT THIS FORM

This form **must** accompany a Licence Application form. This genuine reason form applies to a person who wishes to participate in recreational hunting/vermin control activities as a club member, as the owner/occupier of rural land, as a person who has permission to shoot from an owner/occupier of rural land or permission to shoot from a prescribed government agency.

Please note that a Firearms Licence authorises the licensee to possess and use only the firearms authorised by the particular category of licence held eg. a Category B licence does not entitle the holder to possess or use a Category A firearm.

Possession and ownership of a firearm requires the holding of an appropriate firearms licence **and** registration of the firearm.

The Genuine Reason of Recreational Hunting / Vermin Control is restricted to applying for a Category A & B firearms licence only.
