### MEETING OPENED 10:10AM

Welcome By Local Area Commander Superintendent Gary WORBOYS Goulburn Police.

1st meeting in recent times. Discussion on intent of meetings. Advised that the meeting is a strategic meeting encompassing the entire Command. Meetings will be held quarterly and alternated between the various sectors in the Command. The meetings are led by police and chaired by the Local Area Commander. Each sector will have representation by the member of the SMT assigned portfolio responsibility to address local issues. The meetings will have a focus with a presentation incorporated in line with the focus. The focus of this meeting will be Rescue. The meeting is open to all members of the community to attend.

Spoke about the NSW Police Force CAPP program and the specialist resources available to the Command. Looking to implement a CAPP on a local level to enable members of the community to have first hand experience of the work police do on a day to day basis.

## **Rescue Presentation**

First presentation by Jim ISSANCHON, Deputy Controller, Wingecarribee SES. Presented an informative and valuable presentation on the services the SES provides, with particular emphasis on the Rescue Operations undertaken by the Wingecarribee SES.

Second presentation by S/C Phil DOWNES, Rescue Supervisor, Goulburn LAC. Presented an informative and valuable presentation on the services the NSW Police Force Rescue and Bomb Disposal Unit provides, with particular emphasis on the Rescue Operations undertaken by the Goulburn Rescue Squad.

Both presenters thanked for their presentations by Superintendent WORBOYS.

## **Police Report Goulburn**

Superintendent WORBOYS was mindful of the time and gave a brief overview of crime in Goulburn LAC, indicating that the recently released BOSCAR figures were positive and showed a reduction in crime across the board in the Command. Discussion in relation to presenting a crime report at future meetings; however the focus would not be purely based on statistics. Superintendent WORBOYS discussed his expectations in relation to Crime and Community and how members of the Command were expected to engage with members of the public.

Some discussion was had in relation to graffiti in the Goulburn CBD and how the police address this issue. Inspector SHEEHAN responded to the question providing insight into police move on and person search activities.

Discussion was had in relation to break and enter offences and whether homes or businesses were more susceptible to this type of crime. Superintendent WORBOYS responded to the question, including information on how the crime scenes are processed and the work completed by SOCO's and local Detectives.

### **Further issues for action:**

**Issue: Next meeting proposed date 17 August 2011.**

**Action: Inspector WALL.**

Nil further issues arising.

Meeting concluded 12.30pm
