## Discussion Item

- Communication black spots at Top Ryde shopping Centre. Development applications should include communications satisfactory to ALL emergency service agencies. Commander had raised issue with other emergency service agencies at LEMC on 11/11/11. Outstanding item on local OH&S Committee meeting.
- PCYC – Ryde Council have submitted a proposal to house a PCYC in the LGA, supported by Gladesville LAC
- Neighbourhood watch – Hunters Hill? Peter ASTRIDGE will follow up if still operating.
- Meeting frequency – Civilian participants felt bi-annually was suffice (May and November each year). EXO to check Parliamentary sitting days prior to setting in a date and email out dates well in advance.
- Presentation of Eyewatch – on line by Supt Duncan. If Facebook user, please check out Gladesville LAC – NSW Police Force.
- Non attendance by local MPs – civilian representatives questioned absence of MPs at CSPC meetings. Hopefully advance notice and avoidance of sitting days will enable greater participation.
- Meeting constituencies: Suggestions to further invite a representative of the Liquor Accord, Sydney Buses/Ferries, Dept Education and Service Station owners
