Community Police Briefing – Local Crime Priorities

S/Con Jewell

- Maps showed the ongoing significant decline in Break and Enter offences
- Need to maintain vigilance as warmer weather approaches, as BES rates often increase due to increased opportunity created by open doors and windows.
- Recent return of steal from motor vehicle offences to CBD car parks – need to reinforce “park Smarter” message of not leaving valuables visible inside cars.

Insp Bell:

- Briefed meeting on two recent armed hold-ups at Artarmon Post Office. Media release issued with offender description
- Strike Force established after a recent extortion attempt. Three offenders arrested in covert operation at a Chatswood Café.
- Stealing (shoplifting) arrests have increased notably in recent weeks. Good work being done by North Shore Beat Police in collaboration with Loss Prevention Officers from various stores.
- Mental Health training - initial courses completed. Two Clinical Nurse Consultants on loan to NSW Police for 5 years to manage new program / training.
