Discussion Item

- Crime overview PowerPoint for Gladesville LAC presented by Superintendent Duncan and Inspector Reimer. Crime generally stable or falling. Break and Enters on residential homes had increased substantially in the last quarter however Gladesville was still ranked number 64 in the State (out of 80). Overview of good arrests given and impact expected on BES crimes. Stealings had also increased substantially though this was anticipated with a new Retail outlet being opened.
- Proactive poling results explained along with various operations and programs that were run in the Command.
- Concerns raised regarding Police communications / black spots. Recommendation made that when police review development applications, communications should be a priority. Crime Prevention Officer to consider communications - ACTION.
- PCYC - Sgt Duignan gave overview of Government plans for creation of new PCYC clubs (4 per year to be opened). Clubs to be developed in areas where juvenile crime / demand indicates need. Local Councils need to be able to identify facilities and bid. May need to consider RSL Youth Club / Salvation Army options.
