C. DESCRIPTION & QUANTITY OF FIREARM PARTS

NOTE: A firearms dealer licence is the only licence which authorises the manufacture or repair of a firearm.

If you are importing firearm parts you may need to nominate a NSW firearms dealer to import the parts on your behalf and you **must** provide a reason for the importation of the part in Section E below. If you are unsure, contact the Firearms Registry.

Please mark the appropriate box and provide details of the firearm/s for which the replacement or additional parts are required.
