Aquatic Rescue Sequence Instructions

Instructions to Applicant

- Download the NSW Police Force 'Aquatic Rescue Sequence' information pack.
- Book an appointment with an AUSTSWIM accredited centre. Go to www.austswim.com.au and search for your nearest centre by following the 'Find a swim centre' link. Select the 'NSWPF Applicant' check box and type in your post code to find a centre near you.
- On the day of the test you will need to present your drivers license or other photo I.D, a printed copy of these instructions and a blank 'Certificate of Aquatic Rescue Sequence' form to be filled out by the assessor. You must provide a form of photo identification to the AUSTSWIM assessor or the assessment will not take place.
- You will also need a pair of light weight pants and a short sleeve shirt for the test.
- Attend the swim centre on time and pay the \$10.00 test fee. Payment of the \$10 fee covers pool entry, assessment and certification, and entitles the applicant to one (1) attempt only. Further attempts at assessment will require payment of an additional fee.
- Undertake the test.
- Upon successful completion of the test forward the completed certificate to the Recruitment Branch along with your Professional Suitability Application and other required documents.

Instructions to AUSTSWIM Swimming Teacher

- Certify the applicant's identity by sighting the drivers licence or other photo I.D and record details on the certificate.
- Collect \$10.00 test fee.
- Ensure applicant has appropriate clothing for the test.
- Complete the 'Aquatic Rescue Sequence' test (see test guidelines)
- Upon successful completion of the test complete the 'Certificate of Aquatic Rescue Sequence' form including instructor licence number and expiry.
- Return the certificate to the applicant.
