## Notes:

1. The data provided in the table is sourced from the SAP Incident Summary report and is current as of 18/9/14
2. Incident Notifications are reported either as an:
  - a. Incident: 'an unplanned event resulting in injury, illness, damage or loss'.
  - b. Near Miss: 'an accident or incident that did not result in immediate injury or illness but had the potential to do so.
3. SAP incident data is based on the date the incident was reported to the NSW Police Force via P902, not the date the incident occurred.
