PROHIBITED WEAPONS PRODUCTION PERMIT

This fact sheet provides information on the requirements for obtaining a Production Permit - clause 19 of the Weapons Prohibition Regulation 2017.

It is an offence in NSW to possess a prohibited weapon without the authority of a permit.

What does the Production Permit authorise?

This permit authorises possession and use of a prohibited weapon, as specified on the permit, but only in connection with a film, television or theatrical production nominated on the application.

This permit also authorises any other person directly involved in the production, and who authorised by the Commissioner and is listed on the permit, to possess and use prohibited weapons to which the permit relates for the purposes of the production concerned, but only under the direct supervision of the permit holder.

NOTE: The permit holder's main duty in connection with the production is that of controlling and being responsible for the security and safe handling of the prohibited weapons.

Who can apply for this permit?

A person on behalf of a film, television, or theatrical production where the applicant can establish that possession and use of prohibited weapons is required in the production.

What is the term of the permit?

The permit will be issued from one day prior to rehearsals to one day after completion of the production to a maximum term of 5 years.

How much will the permit cost?

The prescribed fee for this permit is \$127. Your payment must accompany the application. Please provide credit card details on the reverse of the application form.

An additional \$25 is required for each person, other than the permit holder, to be listed and authorised by the permit.

What do I need to send with the application?

- * A completed P638 'Application for a Prohibited Weapons Permit' form, and
- * A completed 'Prohibited Weapon Production Genuine Reason' form, and
- * A completed 'Business Declaration', and
- * Supporting documentation as requested on the genuine reason form.

What kind of prohibited weapons are authorised by this permit?

There is no restriction on the type of prohibited weapons which may be authorised by this permit. However, you must be able to justify that possession and use of the weapons is required in connection with the production.

You must nominate the type of prohibited weapon on the Prohibited Weapon Production Genuine Reason form. NOTE: Prohibited weapons referred to in clause 1A(1) of Schedule 1 to the Act must be deactivated and certified by the holder of a theatrical armourer permit as having been deactivated.
