## Legal actions taken by the NSW Police Force in 2018 for speeding

_			
Person			Legal
LKA	Law Part		Actions for
Postcod		Law Part Description	speeding
800	82951	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	2
800	83019	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	6
800	83054	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable).	1
800	83088	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	2
800	83105	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable).	1
800	83141	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone).	1
800	83221	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable).	2
810	82933	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable).	1
810	82961	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable).	3
810	83004	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable).	1
810	83019	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	5
810	83054	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable).	1
810	83082	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable).	2
810	83088	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	4
810	83110	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable).	1
810	83168	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable).	1
810	83221	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable).	3
812	82951	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	1
812	83019	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	4
812	83088	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	2
812	83221	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable).	1
817	83194	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable).	1
820	83004	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable).	1
820	83019	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	4
820	83082	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable).	3
820	83088	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	5
820	83168	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable).	1
820	83194	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable).	2
820	83221	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable).	1
822	83054	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable).	1
822	83082	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable).	1
822	83088	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	3
828	83046	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone).	1
828	83054	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable).	1
828	83088	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	3
828	83194	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed l	1
829	83004	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable).	1
829	83028	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone).	1
829	83088	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	1
830	83004	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable).	1
830	83019	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	4
830	83082	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable).	3
830	83088	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	1
830	83110	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable).	1
830	83194	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed l	2
832	82951	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	1
832	82983	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable).	1
832	83004	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable).	4
832	83019	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).	4
832	83082	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driver in the driver is driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driver in the driver is driver in the driver is driver in the driver in the driver is driver in the driver in the driver is driver in the driver in	1
832	83088	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver for the length of road where the driver is driving (lasts A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver for the length of road where the driver is driving (lasts A motor vehicle driven at a speed of not more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver for the length of road where the driver is driving (lasts A motor vehicle driven at a speed of not more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver for the length of road where the driver is driving (lasts A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (lasts A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (lasts A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (lasts A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver in the driver for the length of road where the driver is driver in the driver for the length of road where the driver is driver in the driver in the driver is driver in the driver in the driver in the driver is driver in the driver	1
832	83221	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (lass A motor vehicle driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driver at a speed of more than 20 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driver at a speed of more than 20 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driver).	2
835	82961	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 30 km/h but not more than 30 km/h but not more than 30 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 30 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h but not more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h but not more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h but not more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h but not more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driver in the driver is driven	1
835 825	83019	A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driver at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driver at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driver at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driver at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver is driving (class A motor vehicle driver at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driver at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driver at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver is driver at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver is driver at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver is driver at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver is driver at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver is driver at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver is driver at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver is driver at a speed of more than 20 km/h	1

A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). If the number on the speed limit sign is over 100 and the driver is driving a class C vehicle, the speed limit applying to the driver for the length of road is 100 kilometres per hour (exceed speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable).

The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed limit applying to the driver is driven at a speed limit applying to the driver is driven at a speed limit applying to t A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). 

Person Lega LKA Law Part Actions for speeding Postcode Code Law Part Description A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed speed limit by more than 30 km/h but not more than 45 km/h school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driven at a speed of more than 30 km/h above the speed limit applying to the speed limit A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to t A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable)

The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the drive A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed limit applying to the driver is driven at a speed limit applying to the driver is driven at a speed limit applying to t A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A person must not, except with the written permission of, and in the manner approved by, the Trust or the Director, drive or ride a vehicle on any Trust lands at a speed exceeding that determined by the Trust and specified on a sign erected on that land. A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed limit applying to the d The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed limit applying to the driver is driven at a speed limit applying to the driven at a speed limit applying to the driver is A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone).

Person Lega LKA Law Part Actions for speeding Postcode Code Law Part Description If the number on the speed limit sign is over 100 and the driver is driving a class C vehicle, the speed limit applying to the driver for the length of road is 100 kilometres per hour (exceed speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h)

A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).

The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where the length of road whe A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable)

Person Lega LKA Law Part Actions for speeding Postcode Code Law Part Description A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driven at a speed of not more than 10 km/h above the speed limit applying to the driven at A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h).

The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the speed limit applying to the speed limit applying to the A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven. A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying to a driver to whom this rule applies for any length of road while overtaking or passing a bus is 40 kilometres per hour, unless another lesser speed limit applies (Class A vehicle exceed speed limit by not more than 30 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h).

Person Lega LKA Law Part Actions for speeding Postcode Code Law Part Description A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class B motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver for the length of road where they are driving (class B motor vehicle driven at more than 30 km/h above the speed limit applying to the driver for the length of road where they are driving (class B motor vehicle driven at more than 30 km/h above the speed limit applying to the driver for the length of road where they are driving (class B motor vehicle driven at more than 30 km/h above the speed limit applying to the driver for the length of road where they are driving (class B motor vehicle driven at more than 30 km/h above the speed limit applying to the driver for the length of road where they are driving (class B motor vehicle driven at more than 30 km/h above the speed limit applying to the driver for the length of road where they are driving (class B motor vehicle driven at more than 30 km/h above the speed limit applying to the driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where the A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone).

Person Legal LKA Law Part Actions for speeding Postcode Code Law Part Description A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 20 km/h above the speed limit applying to the driver is driven at a speed of more than 20 km/h above the speed limit applying to the driver is driven at a speed of more than 20 km/h above the speed limit applying to the driver is driven at a speed of more than 20 km/h above the speed limit applying to the driver is driven at a speed of more than 20 km/h above the speed limit applying to the driver is driven at a speed of more than 20 km/h above the speed limit applying to the driver is driven at a speed of more than 20 km/h above the speed limit applying to the driver is driven at a speed of more than 20 km/h above the speed limit applying to the driver is driven at a speed of more than 20 km/h above the speed limit applying to the driver is driven at a speed of more than 20 km/h above the speed limit applying to the driver is driven at a speed of more than 20 km/h above the speed limit applying to the driver is driven at a speed of mo A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver for the length of road where the driver is driver for the length of road where the driver for the length of road where the driver for the A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver for the length of road where the driver for the length of road where the driver for the A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable) The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable).

The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver for the length of road where the driver for the length of road where the driver for the A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed limit applying to the driver is driven at a speed limit applying to the driver is driven at a speed limit applying to t A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver in the driver for the length of the driver for A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable) The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class B motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver for the length of road where they are driving (class B motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver for the length of road where they are driving (class B motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver for the length of road where they are driving (class B motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver for the length of road where they are driving (class B motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit applying to the driver for the length of road where they are driving (class B motor vehicle driven at more than 20 km/h above the speed limit applying to the driver for the length of road where they are driver for the length of road where the length A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed limit applying to the driver is driven at a speed limit applying to the driven at a speed limit applying to the driver is The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). 

Person Lega LKA Law Part Actions for speeding Postcode Code Law Part Description A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver in the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to the driver at a speed limit applying to the driver at A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable).

A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit).

The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver in the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to the driver at a speed limit applying to the driver at A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable) The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). q A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). If the number on the speed limit sign is over 100 and the driver is driving a class B vehicle, the speed limit applying to the driver for the length of road is 100 kilometres per hour (exceed speed limit by more than 20 km/h but not more than 30 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).

Person Lega LKA Law Part Actions for speeding Postcode Code Law Part Description A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver for the length of road where the driver for the length of road where the driver for the A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to the A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driven at a speed of not more than 10 km/h above the speed limit applying to the driven at A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable).

A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable).

The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). If the number on the speed limit sign is over 100 and the driver is driving a class C vehicle, the speed limit applying to the driver for the length of road is 100 kilometres per hour (exceed speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to t A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).

Person Lega LKA Law Part Actions for speeding Postcode Code Law Part Description The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driven at more than 45 km/h above the speed limit applying to the driver for the length of road where the speed limit applying to the driver for the length of road where the speed limit applying to the driver for the length of road where the speed limit applying to the driver for the length of road where the speed limit applying to the driver for the length of road where the speed limit applying to the driver for the length of road where the speed limit applying to the driver for the length of road where the length of ro The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable).

The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to t A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed more than 10 km/h but not more than 20 km/h above the limit in school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). The speed limit applying to a driver to whom this rule applies for any length of road while overtaking or passing a bus is 40 kilometres per hour, unless another lesser speed limit applies (Class A vehicle exceed speed limit by not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit).

The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver for th A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed limit applying to the driver is driven at a speed limit applying to the driver is driven at a speed limit applying to t A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to t A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed speed limit by more than 20 km/h but not more than 30 km/h in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where the length of road where they are driver for the length of road where the l The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). If the number on the speed limit sign is over 100 and the driver is driving a class B vehicle, the speed limit applying to the driver for the length of road is 100 kilometres per hour (exceed speed limit by more than 20 km/h but not more than 30 km/h). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). If the number on the speed limit sign is over 100 and the driver is driving a class B vehicle, the speed limit applying to the driver for the length of road is 100 kilometres per hour (exceed speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable).

The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver for th A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driver for the length of road where they are driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where the length of road w A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to t A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). q A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class C motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver for the length of road where they are driving (class C motor vehicle driven at more than 30 km/h above the speed limit applying to the driver for the length of road where they are driving (class C motor vehicle driven at more than 30 km/h above the speed limit applying to the driver for the length of road where they are driving (class C motor vehicle driven at more than 30 km/h above the speed limit applying to the driver for the length of road where they are driving (class C motor vehicle driven at more than 30 km/h above the speed limit applying to the driver for the length of road where they are driving (class C motor vehicle driven at more than 30 km/h above the speed limit applying to the driver for the length of road where they are driving (class C motor vehicle driven at more than 30 km/h above the speed limit applying to the driver for the length of road where they are driver for the length of road where the length of road The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). If the number on the speed limit sign is over 100 and the driver is driving a class B vehicle, the speed limit applying to the driver for the length of road is 100 kilometres per hour (exceed speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone).

Person Lega LKA Law Part Actions for speeding Postcode Code Law Part Description A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to t A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). If the number on the speed limit sign is over 100 and the driver is driving a class C vehicle, the speed limit applying to the driver for the length of road is 100 kilometres per hour (exceed speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class C motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h).

A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driven at more than 45 km/h above the speed limit applying to the driver for the length of road where the speed limit applying to the driver for the length of road where the speed limit applying to the driver for the length of road where the speed limit applying to the driver for the length of road where the speed limit applying to the driver for the length of road where the speed limit applying to the driver for the length of road where the speed limit applying to the driver for the length of road where the length of ro The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to t A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to t A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable).

Person Lega LKA Law Part Actions for speeding Postcode Code Law Part Description A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applying to the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applying to the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable).

A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver for the length of the driver is driver for the length of the driver for the length A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). 

Person Lega LKA Law Part Actions for speeding Postcode Code Law Part Description A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the driver is driven at a speed of more than 30 km/h above the speed limit applying to the speed limi A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable) The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to t A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where the length of road whe A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). If the number on the speed limit sign is over 100 and the driver is driving a class C vehicle, the speed limit applying to the driver for the length of road is 100 kilometres per hour (exceed speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable).

Person Lega LKA Law Part Actions for Postcode Code Law Part Description speeding The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying to a driver to whom this rule applies for any length of road while overtaking or passing a bus is 40 kilometres per hour, unless another lesser speed limit applies (Class A vehicle exceed speed limit by not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more th A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the drive The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver for th A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). If the number on the speed limit sign is over 100 and the driver is driving a class B vehicle, the speed limit applying to the driver for the length of road is 100 kilometres per hour (exceed speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to the driver at a speed limit applying to the driver at a speed limit applying to A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applying to the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applying to the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone).

A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver in the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable).

A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of the driver for the length o A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). If the number on the speed limit sign is over 100 and the driver is driving a class C vehicle, the speed limit applying to the driver for the length of road is 100 kilometres per hour (exceed speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed limit applying to the driver is driven at a speed limit applying to the driven at a speed limit applying to the driver is The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable).

The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (Class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (Class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (Class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (Class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (Class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (Class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (Class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to the driver at a speed limit applying to the driver at a speed limit applying to the dr A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable) The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driven at a speed of not more than 10 km/h above the speed limit applying to the driven at A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more th A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). If the number on the speed limit sign is over 100 and the driver is driving a class C vehicle, the speed limit applying to the driver for the length of road is 100 kilometres per hour (exceed speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (Class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (Class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (Class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (Class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (Class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (Class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver in the driver for the length of the driver for A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). 

Person Lega LKA Law Part Actions for speeding Postcode Code Law Part Description A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to the driver at a speed limit applying to the driver at a speed limit applying to A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 45 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable)

A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed limit applying to the driver is driven at a speed limit applying to the driver is driven at a speed limit applying to t A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). If a speeding offence is committed in relation to a heavy vehicle, an operator of the vehicle if the driver is making a journey for the operator is taken to have committed an offence against this subsection. A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed limit applying to the driver is driven at a speed limit applying to the driven at a speed limit applying to the driver is A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable).

A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable) The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 45 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver in the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to t A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable)

Person Lega LKA Law Part Actions for speeding Postcode Code Law Part Description A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). The speed limit applying for any length of road to a driver who is the holder of a learner licence is 90 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying to a driver to whom this rule applies for any length of road while overtaking or passing a bus is 40 kilometres per hour, unless another lesser speed limit applies (Class A vehicle exceed speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable).

The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applying to the driver for the length of road where the driver is driven at a speed of more than 45 km/h above the speed limit applying to the driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver is driver for the length of road where the driver for the leng A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h).

Person Lega LKA Law Part Actions for speeding Postcode Code Law Part Description The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver is driven at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class B motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class C motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 kilometres per hour, unless another lesser speed limit applies to the driver (exceed applicable speed limit by not more than 10 km/h). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving a driver must not drive at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driving (For a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of road where the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver for the length of the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver is driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed of not more than 10 km/h above the speed limit applying to the driver at a speed limit applying to the driver at a speed limit applying to the speed limit applying to the speed limit applying to the spee A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 30 km/h but not more than 45 km/h above the speed limit). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 20 km/h but not more than 30 km/h above the speed limit in a school zone). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 30 km/h but not more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driving (class A motor vehicle driven at more than 45 km/h above the speed limit applying to the driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where they are driver for the length of road where the length of road where they are driver for the length of road where the l A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class B motor vehicle driven at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 kilometres per hour, unless another lesser speed limit applies (drive at a speed of not more than 10 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 30 km/h but not more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 30 km/h but not more than 45 km/h). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 20 km/h but not more than 30 km/h) The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h) A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class C motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (In the case of a class A motor vehicle driven at a speed of more than 45 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 10 km/h but not more than 20 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 20 km/h but not more than 30 km/h above the speed limit applicable). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at a speed of more than 10 km/h but not more than 20 km/h above the speed limit applicable). The speed limit applying for any length of road to a driver who is the holder of a provisional P1 licence is 90 km/h, unless another lesser speed limit applies (drive at a speed of more than 20 km/h but not more than 30 km/h above the limit). A driver must not drive at a speed over the speed-limit applying to the driver for the length of road where the driver is driving (class A motor vehicle driven at more than 10 km/h but not more than 20 km/h above the speed limit in a school zone). The speed limit applying for any length of road to a driver who is the holder of a provisional P2 licence is 100 km/h, unless another lesser speed limit applies to the driver (exceed applicable speed limit by more than 10 km/h but not more than 20 km/h). If the number on the speed limit sign is over 100 and the driver is driving a class B vehicle, the speed limit applying to the driver for the length of road is 100 kilometres per hour (exceed speed limit by more than 10 km/h but not more than 20 km/h).
