Ryde Room, Police Headquarters

Apologies:

Confirmation of previous minutes:

### AGENDA ITEMS

1. **Director, SLED** **Smith**
  - Welcome
  - Overview of recent developments
  
2. **General Manager, Industry Regulation** **Stockley**
  - Overview of recent developments.

**Action Item**

  - **Brokerage of Security Services by web based organisations (carried over)**
  
3. **General Manager, Operations** **Morgan**
  - Overview of recent developments
  - Renewal of Operator Licences – Possibility of using stored images  
*You can now renew your driver licence online provided you meet certain criteria, including if you're aged between 21 and 75 (or 70 if your licence class is MC) and you've had your signature and photograph taken by Roads and Maritime Services within 10.5 years before the new licence expires. Evidently, this is done using stored images (ie photograph and signature).*

*Is this something we should be considering for the security in industry?*
