

MOTORISED BICYCLES

NSW Police Force

'E-Bikes'

Some electric motorised bicycles known as 'e-bikes' are **LEGAL** to ride in public in NSW if they comply with certain **CONDITIONS**.

There are only two types of **permitted e-bikes**:

- **Power-assisted pedal cycles**
- **Electric power-assisted cycles**

BUT they must be designed to be propelled primarily by the rider. They **cannot be propelled exclusively by the motor** and **cannot exceed 25km/h**.

Bicycles powered by electric motors are intended only to assist when riding uphill or into a headwind, NOT to be the primary source of propulsion.

Electric powered bicycles which don't comply with these conditions **cannot be ridden on roads, or road related areas (such as footpaths shared paths and cycleways) in NSW, except on private land.**

Anyone caught riding an illegal electric powered bicycle on a road or road-related area in NSW can face fines starting from \$723
