## Corporate Sponsor Program Policy Statement

The NSW Police Force Corporate Sponsor Program supports the Executive Team to achieve corporate priorities. It is a means of coordinating the organisational response to key community, diversity and crime issues across the organisation. Corporate Sponsors represent the Commissioner within their portfolio and are responsible for leading NSWPF policy, strategy and practice in their portfolio area.

### Our commitment is to ensure that the NSW Police Force:

- Identifies areas of strategic priority that do not have a Head of Profession to be nominated as a corporate portfolio
- Establishes systems to ensure a well-coordinated and integrated approach to corporate portfolios
- Maintains a senior police officer as a Corporate Sponsor in these portfolio areas
- Allocates Region Sponsors for key corporate portfolio areas
- Provides policy and media support to Corporate Sponsors so that they can effectively represent their portfolios
- Reviews the progress of corporate portfolios through COMPASS

### Responsibilities:

- **Senior Executive** - approve and support the NSW Police Force Corporate Sponsor Program Policy and Procedures; regularly monitor and review them; hold Corporate Sponsors accountable for portfolio outcomes and promote and support an integrated and consistent approach to the development and management of Corporate Sponsor portfolios.
- **Capability, Performance & Youth Command** - design, develop, support implementation, review, monitor and improve the policy and procedure.
- **Corporate Sponsors** – provide leadership on the NSWPF response and maintain corporate knowledge and expertise on portfolio, lead and maintain network of portfolio Region Sponsors, integrate with other portfolios where relevant and be accountable for the activities in their portfolio
- **Region Sponsors** – maintain momentum in their portfolios within their regions, develop and maintain networks and relationships with portfolio stakeholders, particularly external and community stakeholders, support Corporate Sponsor and provide input to advice prepared by Policy staff, be accountable for regional portfolio activities.
- **Policy and Media Support Staff** – maintain knowledge, expertise and networks in portfolio areas, be accessible and provide timely advice and support to Corporate and Region Sponsors, work collaboratively with all portfolios to provide integrated responses.
- **All staff** – be aware of and comply with Corporate Sponsor Policy and Procedures; ensure consultation with, and approval of relevant Corporate and Region Sponsors on issues, risks, projects and activities relating to Corporate Sponsor portfolios.
