TOTAL for financial year ending 2015				320
GRAND TOTAL				1026

Figures are current as of 7th November 2015
Incident categories used: 'Assault' (including all further classifications) and 'Assault Police (excluding 'Resist/Hinder Police')
The location category used includes all law enforcement premises.

NB: Due to limitations in the dataset, assault incidents involving NSW Police Force unsworn staff could not be extracted, and is not represented in the above table.

NB: The assault incidents represented in the above table include all former and current serving NSW Police Force sworn officers. As such, these figures may possibly represent incidents of assault inflicted upon a former police officer on NSW Police Force premises. Due to the limitations of the dataset incidents involving former and current serving NSW police officers could not be separated.

NB: Incident locations with no address indicate records where only the suburb, of the incident, was recorded.
