

**Q1. Can you tell me how much the NSWPF have spent buying assault rifles (Colt M4 carbines and other similar military-grade high powered semi-automatic weapons) and the cost of ammunition since they were issued in December 2017?**

Costs of assault rifles and other military grade high powered semi-automatic weapons

\$1,581,957.80.

Cost of ammunition \$574,138.00.

**Q2. How many assault rifles (of any type, if there are more than one please provide a breakdown by type) do the NSW Police have?**

The NSW Police Force have the following types of semi-automatic rifles;

s 59(1)(e)	T1(f), T2(b)
Colt M4	T1(f), T2(b)
	T1(f), T2(b)

**Q 3. Do NSW Police have other military grade weaponry (large weaponised vehicles for example) and if so what and how much did they cost?**

T1(f), T2(d)	Cost \$131,780.00.
--------------	--------------------

The NSWPF does not have any other military grade weaponry or large weaponized vehicles.

**Q4. How often Police have discharged assault rifles colt M4s and other separately) in the past two years (total discharges and number of occasions)?**

Records are not held centrally of discharges of assault rifles made in training. For discharges of assault rifles in operation see the attached Statistics.

**Q5. Under what conditions were the weapons fired (operational, training, accidental, location).**

Records are not held centrally of discharges of assault rifles made in training. For discharges of assault rifles in operation see the attached Statistics.

There have been no reported accidental discharges of the Colt, T1(f), T2(b) rifles since introduction.
