

FIREARM SAFE STORAGE

You must store your firearm in an inhabited dwelling or put in place additional safe storage

INHABITED DWELLING

(Home or a principal place of residence)

Do you safely store your firearms at home or another's home, (for example, a farm manager or employee residing on your property?)

If so, there's no change to your safe storage facilities

UNINHABITED DWELLING

(Hobby or secondary farm)

Do you want to safely store your firearms at your hobby or secondary farm, or out of sight of your house?

Then you need additional safe storage

SAFE

- Must be approved type
- Fitted with an alarm with off-site monitoring (including via 'smart' technology)

FIREARMS

- Secured individually in the safe
- Fitted with trigger or barrel lock

PREMISES

- Intruder alarm and duress facilities monitored off-site (including via 'smart' technology)
