

## Misconduct matters concerning pre-employment conduct of members of the NSW Police Force Policy Statement

### Our commitment is to ensure that the NSW Police Force:

- complies with Part 8A of the *Police Act 1990*
- complies with the *Law Enforcement Conduct Commission Act 2016*
- registers all misconduct matters on the misconduct matters information system.

A reference to '*conduct of*' a police officer or administrative employee means conduct engaged in by a person who is at the relevant time a member of the NSW Police Force.

However, this policy statement does not preclude:

- a criminal investigation into pre-employment conduct of a member of the NSW Police Force
- action being taken to dismiss a member of the NSW Police Force for pre-employment conduct.

### Responsibilities:

- **Assistant Commissioner, Professional Standards** – design, develop, implement, monitor and improve this policy statement.
- **Commanders / Managers** – comply with this policy statement.
