I, **Stephen Hegarty**, an Assistant Commissioner of Police am satisfied that the authority should be issued on the basis of the following happening at the location in the previous 12 months;

- Has there been at least 1 offence committed by a person armed with a knife or other weapon? **Yes**

- Has there been at least 1 serious indictable offence involving violence against a person? **Yes**

- More than 1 offence of possessing a knife or prohibited weapon in a public place or school? **Yes**

I consider the use of hand-held scanners is likely to be effective in detecting or deterring the commission of an offence involving a knife or other weapon.

I have considered the following;

The effect the use of hand-held scanners may have on lawful activity in the area and,

If the place was previously a designated area - whether knives or other weapons were found during the period the place was previously a designated area.
