

Your identity is important. Let's protect it.

Every year millions of Australians are victims of data breaches and identity crime.

It can be difficult to know what to do and where to find information. At ID Support we can help you protect your government-issued proof of identity credentials including:

- driver licence
- birth, marriage and change of name certificates
- MyServiceNSW Account
- firearms licence
- security licence
- Australian passport
- Medicare card
- Pensioner Concession Card and more.

We can also support you if your identity falls into the wrong hands.

Learn more about how to protect yourself from identity crime, call us on **1800 001 040** or visit **nsw.gov.au**
