NSW POLICE FORCE

Authority to Act on behalf of another Party

Government Information (Public Access) Act 2009

PLEASE NOTE: Information may not be released if signed authorisation is not provided

INFORMATION FOR APPLICANTS

Where an applicant (individual or business) is making an application under the **Government Information (Public Access) Act 2009 (Gipa Act)** and acting on behalf of another person/party; and or applying for another person's personal information with their consent, the following authority must be completed.

AUTHORITY

I acknowledge that _____ is making an application to the NSW Police Force, under the **Government Information (Public Access) Act 2009**, for information that may include my personal information (i.e. any information that the NSW Police Force holds about me).

I authorise _____ to make this request and to receive any of my personal information that falls within the scope of the application.

I understand the NSW Police Force cannot place any conditions on how this information may be used once it has been released.
