

PREVENTING FOOD DELIVERY THEFT

Customers are responsible for their items once they are delivered.

- When you place an order for delivery, make sure you choose a delivery time when you will be home to receive it.
- If you are unable to be home during delivery time frame, make other arrangements such as arrange for a neighbour to collect on your behalf or give special instructions to leave in a hidden safe place or have delivered to a post office.
- Make sure your delivery instructions are clear.
