

STOP, LOOK, LISTEN!

Each year, too many pedestrians die or are seriously injured on our roads. Many of these incidents are preventable.

If you follow these simple tips, it could save your life or the lives of others:

Cross at pedestrian lights or zebra crossings where they are available. Wait for the light to turn green and check for cars before stepping out.

Do not look at your phone or electronic devices when crossing the road under any circumstances. It's simply not worth the risk.

Be aware of your surroundings especially when wearing headphones, as you may not hear cars approaching.

Hold a child's hand when they cross the road. Use crossing the road as an opportunity to teach them about road safety.
