

## Annexure A

Statistical information is available on the number of infringements for Road Traffic and Motor vehicle Regulatory offences issued to individuals where the driver's licence state was 'OVE' or 'O/S'.

Table 1. Number of infringements for ANZSOC Group Road Traffic and Motor Vehicle Regulatory Offences in NSW in 2017-18 and 2018-19, where the driver's licence state was 'OVE' or 'O/S'

<b>Legal Action Financial Year</b>	<b># Infringement Notices</b>
2017 - 18	21, 275
2018 - 19	22, 545

Note, there may be instances where the driver's licence state has been recorded incorrectly in COPS. It is not possible to exclude these as it would require a manual process of going through each COPS record.

Also, it is worth noting that overseas drivers were responsible for about 3% of traffic infringements over the period.
