

DON'T LET FOOLS STEAL YOUR TOOLS LOCK IT OR LOSE IT

Thieves are opportunistic and know that many tradespeople have expensive tools and equipment.

- Don't leave expensive tools and equipment in your vehicle or at worksites overnight.
- Keep your vehicle doors, windows and storage locked, even when working on site.
- Invest in a lockable storage box.
- Don't leave anything of value visible inside your vehicle.
- Don't hide spare keys inside or underneath your vehicle.
- Remove any documents from your vehicle which reveal where you live.
- Engrave or mark your tools with your driver's licence number.
- Photograph and record details of expensive tools or equipment.
