Firearms Safety Training Instructor Approval (Longarms)

This fact sheet provides information on the requirements for obtaining a Firearms Instructor Approval to instruct a course, approved by the Commissioner of Police, in firearms safety training for longarms.

Who can apply for a Firearms Instructor Approval?

To be granted an approval, you must hold a current NSW firearms licence for longarms and have held that licence for at least 3 years.

What does a Firearms Instructor Approval authorise?

This Approval authorises the Instructor to conduct an approved safety training course for longarms and authorises the possession and use of registered non-prohibited firearms, as authorised by the individual firearms licence of the Instructor.

The approval authorises the possession and use of ammunition for those firearms, for the practical component of the approved course. Live ammunition may only be used on an approved shooting range.

The Approval also authorises the transportation of the firearms to and from the training venue.

What are the approved courses?

There are currently four approved courses:

- Sporting Shooters Association of Australia (NSW) - Safe Shooting Course;
- NSW Police Firearms Registry - Firearms Licence Qualification Course;
- Department of Primary Industries - (previously Game Council) - Firearms Safety (Long-arm) Course.
- Firearms Safety & Training Council Ltd - Firearms Safety Training Course (NSW) for persons nominated by the Firearms Safety & Training Council Ltd.

You may be nominated by or on behalf of a Club, Association or other approved organisation or body or you may be an individual making application to deliver an approved course.

What is the term of the approval?

The approval will only remain valid while the Instructor's individual firearms licence is current.

How much will my Firearms Instructor Approval cost?

There is no fee payable for this approval.

What requirements must be met for a Firearms Instructor Approval?

Training must be conducted with proper regard to public safety.

The approval holder is responsible for supervising all persons participating in the course and must ensure the safe handling and use of firearms at all times.

Persons participating in the course are exempt from the requirement to hold a licence or permit under the *Firearms Act 1996* to possess and use firearms, but only whilst completing the approved course and only under the direct supervision of the Instructor Approval Holder.

Where can I find more information?

The information provided in the FACT Sheet is for general guidance only. Applicants and licensees should familiarise themselves with the Firearms Act 1996 and the associated Regulation, which are available on the NSW Legislation website - www.legislation.nsw.gov.au.
