Prohibited Weapons Body Armour Vest Permit

This FACT sheet provides information on the requirements for obtaining a Prohibited Weapons Body Armour Vest Permit - section 11(2)(a)(i) of the *Weapons Prohibition Act 1998*.

It is an offence in NSW to possess a prohibited weapon without the authority of a permit.

Who can apply for this permit?

A person on behalf of a security firm, or a person employed by a security firm, or a person on behalf of a media organisation.

What does the Prohibited Weapons Body Armour Vest Permit authorise?

This permit authorises the permit holder to possess and use a body armour vest for the genuine reason of business or employment.

- * A permit issued to a security firm authorises the acquisition of body armour vests for use by employees.
- * A permit issued to an employee of the security firm authorises the possession and use of the employer's body armour vests only. This permit does not authorise the acquisition of a body armour vest.
- * A permit issued to a media organisation authorises the acquisition of body armour vests for use by employees. This permit also authorises employees who are listed on the permit to possess and use body armour vests belonging to the employer.

A media organisation must outline the requirement for use of a body armour vest by employees, including the risk posed to the employee due to civil unrest or warfare. The permit will restrict the number of body armour vests the organisation is authorised to acquire according to business needs.

What about employees?

Security firm employees must be authorised by a permit to possess and use a body armour vest. Each employee requiring to possess and use a body armour vest must complete an 'Application for a Prohibited Weapon Permit' P638 form.

NOTE: Security employees must be the holder of the relevant class of licence under the *Security Industry Act 1997*. Media employees can be listed on the permit issued to the media organisation and must complete an 'Application for a Person to be Authorised on a Prohibited Weapon Permit' P639 form and pay a fee of \$25 for each person to be listed on the permit.

What is the term of the permit?

The permit will be issued for a maximum term of 5 years.

What do I need to send with the application?

- * A completed P638 'Application for a Prohibited Weapons Permit' form, and
- * A completed 'Prohibited Weapon Body Armour Vest Genuine Reason' form, and
- * A completed 'Business Declaration' (*business application only*), and
- * Supporting documentation as requested on the genuine reason form.

How much will the permit cost?

The prescribed fee for this permit is \$127. Your payment must accompany the application. You may pay by cheque or money order made payable to the NSW Police Force or by filling out the credit card details on the reverse of the application form.

An additional \$25 fee is required for each person, other than the permit holder, completing a P639 form to be listed and authorised by the permit.

What kind of prohibited weapons are authorised by this permit?

A body armour vest under Schedule 1 clause 4(1) of the *Weapons Prohibition Act 1998*.

What level of safe storage applies to this permit?

Level 2 safe storage. See 'Safe Storage Prohibited Weapons Levels 1, 2 & 3' available on the Safe Storage page on the Firearms Registry Internet site.
